The Aggie Tennis Center is a unique combination of tennis entities on the campus of New Mexico State University. The Center accommodates the general public, the students of NMSU, its members, and is the site of most of the tennis events in Las Cruces. The Center's 12 courts easily handle the multitude of events and tennis functions that call ATC home. Activity is the name of the game and that's what the center is offering. Tournaments, leagues, socials, instruction, and team competition make up our tennis fun. We feature the finest courts, staff, and membership in the area. NMSU tennis Head Coaches Ivan Fernandez and Carlos Vargas combine to create one of the most experienced and talented management/pro teams in the Southwest. Come join our tennis team in one of the finest centers in the country.
