Benefits after leaving NMSU

We know transitions can be overwhelming. This guide is intended to help you understand what happens to your benefits when your employment with NMSU ends. Please see NMSU Administrative Rules and Procedures and benefit information available at benefits.nmsu.edu for each benefit for additional information.

Coverage ends on the termination date, end of the pay period, or end of the month—whichever applies—only if premiums have been paid through that date. If premiums are not current, coverage ends on the last day premiums were paid.
