

Group Hospital Insurance

Unum Insurance Company

How does it work?

Group Hospital Insurance helps covered employees and their families cope with the financial impacts of a hospitalization. You can receive benefits when you're admitted to the hospital for a covered accident, illness or childbirth.

Why is this coverage so valuable?

- The money is payable directly to you — not to a hospital or care provider. The money can also help you pay the out-of-pocket expenses your medical plan may not cover, such as co-insurance, co-pays and deductibles.
- You get accessible rates when you buy this coverage at work.
- The cost is conveniently deducted from your paycheck.
- The benefits in this plan are compatible with a Health Savings Account (HSA).

Be Well Benefit

Every year, each family member who has Hospital coverage can also receive \$50 for getting a covered Be Well screening test, such as:

- Annual exams by a physician include sports physicals, wellchild visits, dental and vision exams
- Screenings for cancer, including pap smear, colonoscopy
- Cardiovascular function screenings
- Screenings for cholesterol and diabetes
- Imaging studies, including chest X-ray, mammography
- Immunizations including HPV, MMR, tetanus, influenza

Group Hospital Insurance can pay benefits that help you with the costs of a covered hospital visit.
