UMR™

Why Choose UnitedHealthcare/UMR

UnitedHealthcare provides the network — UMR supports your benefits

- 1 Get care where life takes you**— You can see doctors and hospitals in New Mexico and across the country—all in one UnitedHealthcare network. That includes **Lovelace, Presbyterian, and UNM Health**, plus world renowned providers like **Mayo Clinic** and **Children's Hospital Colorado**, without referrals or special permission.
- 2 Support for your whole health**— You have access to mental health and behavioral health care when you need it—whether that's virtual support or in-person care—making it easier to get timely help for you and your family.
- 3 Simple ways to manage your care**— You can find providers, check benefits, and get information online or on your phone, so managing your health plan is easier and less time-consuming.
- 4 Help when you have questions** — When something isn't clear, you can talk to a real person who can explain your benefits, help you find care, and guide you through next steps—one-on-one.
- 5 Extra help to stay healthy**— You have access to tools like 24/7 NurseLine, virtual visits, fitness options, and programs that support ongoing health conditions—designed to help you address issues early and avoid bigger problems later.

Four medical plan options.

Two HMO Plans

- You'll have your choice of HMO plans, the HMO Clear Cost Platinum Plan or the HMO Basic Gold Plan.
- Preventive care is 100% under these plans when you visit Tier 1 or Tier 2 Providers
- There are no PCP selections required
- No referrals required to see a specialist
- There is no coverage out of network.
- These plans provide two tiers of coverage. UnitedHealthcare uses tiers for primary care doctors and many common specialists. For services like hospitals, urgent care, and labs, any provider in the UnitedHealthcare network is Tier 1. You'll also have network coverage with our nationwide Tier 1 and Tier 2 network, so you're covered wherever you travel.

Tier 1 physicians are listed on go.umar.com/sonm with the blue dot next to their names.

PPO Basic Gold Plan

- Most services are covered at copays but for some services, you'll first have to meet a deductible.
- Preventive care is 100% covered when you visit Tier 1 or Tier 2 providers.
- There are no PCP selections required
- No referrals required to see a specialist
- You have out-of-network coverage, those providers will likely charge you more.
- This plan provides three tiers of coverage. UnitedHealthcare uses tiers for primary care doctors and many common specialists. For services like hospitals, urgent care, and labs, any provider in the UnitedHealthcare network is Tier 1. You'll also have network coverage with our nationwide Tier 1 and Tier 2 network, so you're covered wherever you travel.

Tier 1 physicians are listed on go.umar.com/sonm with the blue dot next to their names.

PPO HDHP Silver Plan

- You'll first have a deductible to meet before your plan will start to pay for most services.
- Preventive care is 100% covered when you visit In-Network Providers.
- There are no PCP selections required
- No referrals required to see a specialist
- You have out-of-network coverage, those providers will likely charge you more.
- This plan provides two tiers of coverage, you'll have network coverage with our nationwide network so you're covered wherever you travel.
- You are eligible to open a Health Savings Account.

Our Premium Care Physicians consistently meet or exceed national standards for quality and local benchmarks for cost efficiency.

Finding a network provider

- Visit **go.umar.com/sonm** and under the heading **Find a provider**, choose View Choice Plus Premium providers to search medical providers or choose View behavioral health providers to search for behavioral health providers.
- Call UMR toll-free at 833-997-1079 and ask a representative for help
- Once you are active with UMR, download the **UMR app** to search for a provider while on the go

Once your benefits are active with UMR, you can find your network information and customer service number on your ID card.

Not seeing your provider?

Your provider can join the UnitedHealthcare network

Instructions for Physicians:

- Go to uhcprovider.com
- Select Our network
- Then choose, Join our network
- If you need assistance, you can call Provider Services at 877-842-3210

Instructions for Chiropractors and physical/speech/occupational therapists

- Go to myoptumhealthphysicalhealth.com or call 800-873-4575

Instructions for Behavioral health doctors and therapists

- Go to providerexpress.com or call 800-817-4705

How to make sure your doctor is in the network

After your provider has applied, check to make sure that your health care provider is part of the UnitedHealthcare network. Call the customer service number on your ID card or sign into the member portal at umr.com and use the Find a provider tool to search for them.

Provider not in-network? You may qualify for Transition of Care

Transition of care: Gives new UMR members the option to request extended coverage from their current, out-of-network health care professional at in-network rates for a limited time due to a specific medical condition, until the safe transfer to an in-network health care professional can be arranged. Access the form at our pre-member website at: go.umar.com/sonm

Your Primary Care Provider: Your Partner in Staying Healthy

A trusting relationship with a PCP helps keep you and your family at your best.

Why your PCP matters:

- Your PCP gets to know you and your health history
- Helps catch health issues early, before they become bigger concerns
- Guides your care and helps you choose the right screenings and services
- A single place to turn for everyday health questions and support

Preventive care helps you stay ahead

When you visit a network PCP, many preventive services are covered at 100% under your plan, including:

- Annual wellness exams and well-child visits
- Blood pressure, cholesterol, diabetes, and depression screenings
- Cancer screenings, vaccines, and immunizations
- Preventive counseling for healthy weight, tobacco cessation, and more

The bottom line: Seeing your PCP regularly helps you stay healthy, manage risks early, and get care that's personalized to you often at no additional cost.
