

HELPING YOU SUPPORT STUDENTS IN NEED

Free, 24/7 guidance for faculty and staff when a student may be struggling

As a faculty or staff member, you are often the first to notice when a student is having a hard time. If you're ever unsure how to respond, TimelyCare's **Faculty & Staff Guidance Line** is here to help.

WHEN TO CALL

Use this service anytime a student:

- Shows signs of distress (physical, emotional, or academic)
- Mentions self-harm or isolates from peers/faculty
- Struggles with family, peers, or personal loss
- Is identified by others as needing support

HOW IT WORKS

- Call **833-4-TIMELY** any time, day or night
- Connect directly with a **TimelyCare Customer Support**
- Get guidance on how to respond and how to connect the student with appropriate care
